Startup Weekend

Powered by Google for Entrepreneurs

October 6-8th, 2017 @ Kicker World Headquarters

Ever wondered what it takes to be an **ENTREPRENEUR**?

Startup Weekend is a global grassroots movement of **active** and **empowered** entrepreneurs who are learning the basics of founding startups and launching successful ventures. It is the largest community of passionate entrepreneurs with over 2,900 past events in 150 countries around the world.

Teams organically form around the top ideas (as determined by popular vote) and then it's a 54 hour frenzy of business model creation, coding, designing, and market validation. The weekends culminate with presentations in front of local entrepreneurial leaders with another opportunity for critical feedback.

What you get for attending:

- All meals are provided
- A free .co domain name
- Awesome coaching by founders and experienced startup members
- Swag from Google
- A network of new developer, designer & entrepreneur friends who are excited starting up

If you want to put yourself in the shoes of an entrepreneur, register now for the best weekend of your life!
